Profile Summary

Software Developer with hands-on experience building scalable web applications using React.js, Node.js, PostgreSQL, and REST APIs. Experienced in Dockerized deployments, CI/CD pipelines, and Agile workflows. Strong foundation in system design, and secure authentication practices.

Technical Skills

Languages: C, JavaScript, Python

Frontend: React.js, TailwindCSS, HTML5, CSS3, AngularJS (familiar)

Backend: Node.js, Express.js(familiar) REST APIs

Databases: PostgreSQL, MongoDB

Tools: Git, GitHub, Docker, CI/CD, Postman, VS Code

Concepts: OOP, System Design, Software Optimization, Secure Coding Practices, JWT Authentication, API Security, Agile

Work Experience

Software Development Intern

June 2025 – Present

Wave Techtronics, Dehradun, India

- Built scalable backend modules using OOPs principles and optimized database queries for performance.
- Dockerized applications and deployed via CI/CD pipelines, improving development-to-deployment efficiency.
- Collaborated in Agile sprints with cross-functional teams to deliver production-ready features.
- Integrated ASP.NET Core MVC with SQL Server for enterprise workflow automation.

Web Development Intern

Nov 2024 – Jan 2025

Internship Alert (Remote)

- Designed and deployed secure REST APIs with relational database integration.
- Implemented modular architecture improving maintainability and scalability.
- Managed version control and sprint tasks using GitHub and Agile methodology.

Projects

Doctor Appointment Booking System

React.js, Node.js, MySQL

- Developed a role-based access control system with secure authentication.
- Designed optimized relational schema and REST APIs for real-time booking workflows.
- Deployed full-stack application on Render with GitHub version control and CI practices.

AI-Based Product Recommendation System

React.js, Node.js, MongoDB

- Built a data-driven recommendation engine to optimize user decision-making.
- Developed secure backend APIs integrated with an interactive React frontend.
- Enhanced user experience through responsive UI and authentication mechanisms.

Education

B.Tech – Computer Science and Engineering

2022 – 2026

Dev Bhoomi Uttarakhand University, Dehradun

Current CGPA: 7.64 / 10
